The game was originally named 'Pixelmon' by the creator of Minecraft, Markus Persson (also known as Notch). It was inspired by crafting games like Little Big Planet and the popular multiplayer game World of Warcraft. Minecraft, like World of Warcraft, is a game that is played in a virtual world. It does not have a storyline or character progressions like most RPGs do. Instead, Minecraft offers players the possibility to build almost anything they want. You can create the same things that you see in Minecraft with your own imagination and creativity.",

Multiplayer is a lot of fun when you're in a group with friends and family. But it can also be expensive! In order to play multiplayer on Minecraft, you have to pay. This can get pricey unless you are playing on private servers. I would recommend playing with friends or family because that way it will be easier to ask them for help! It's also a lot more fun with friends than on your own.",
